About Us

Collegedunia is a **one stop destination** for the students, parents and education industry players who are seeking information on the higher education sector in India and abroad. **Collegedunia is among the top 100 websites in India.**

We at **Collegedunia** have been organizing yearly events to celebrate thought leaders in the education sector. This year with our **Delhi Chapter**, we have decided to have productive discussions around the **vision for the education sector as the country gets ready for its 100th year of Independence.** The one day event will be attended by policymakers, government officials & private sector veterans of the Industry.

Milestones

Vision@2047:

The Government of India has recently launched a discussion on **Vision India @ 2047.** An Action Plan related to the Social Sector, which includes the Education Sector, is to be prepared after brainstorming with the various stakeholders which includes Research Institutions, Universities, domain experts.

This one day event will be attended by policymakers, government officials & private sector veterans of the Industry with valuable discussions revolving around **Leveraging Industry 4.0, Innovation, Resilience in Education System, Future Skills and Inclusivity.**

We hope to have conversations which shall be crucial in guiding the framework of the Indian Education ecosystem in the years to come.
