Collegedunia CONNECT

Collegedunia Connect is an Education summit organized yearly to celebrate and engage with educational thought leaders. It serves as a forum for industry leaders to brainstorm and discuss the challenges & emerging trends in the education sector.

This year, Collegedunia is set to organize its Fourth Chapter - Collegedunia CONNECT 4.0 with the theme "Envisioning India's Education in 2047: Harnessing future technologies to elevate educational outcomes."

The Components

- Keynote Address
- White Paper Launch
- Industry Presentations
- Panel Discussions
- Award Ceremony
- Networking Dinner

PREVIOUS EDITION

The Journey of Collegedunia CONNECT started in 2021 with the Chennai Chapter with productive discussions centred around the **"Impact of the Pandemic on Higher Education."**

Chennai 2021

 19th March 2021

 ITC Grand Chola, Chennai

Delhi 2022

 16th December 2022

 Le Meridien, New Delhi

With the Delhi Chapter, we aligned ourselves with the Government of India's action plan the theme **India @100 Year'**, our intent was to create a roadmap for the education sector. It involved constructive discussions around topics like Skills of the Future, Hybrid Model of Education and Inclusive system of education.

With the Gujarat Chapter, we had productive discussions around the **'Vision for Higher Education in Gujarat @2047'**, addressing the challenges and opportunities for the Gujarat Education System like Encouraging Start Up & Innovation in Higher Education and Plugging the Brain Drain.

Gujarat 2022

 23rd December 2022

 ITC Narmada, Ahmedabad

Delhi 2023

 24th November 2023

 Taj Palace, New Delhi

With the theme **"Innovation in Education : The key to transforming India"**, CONNECT 3.0 was organized with the motive to contribute to the Innovation Era of massive change in the Indian educational system. The theme touched upon points like experiential learning, AI integration and more.

THEME OF **CONNECT 4.0**

Envisioning India's Education In 2047: Harnessing Future Technologies To Elevate Educational Outcomes

Collegedunia's **CONNECT 4.0** with the theme **"Envisioning India's Education in 2047: Harnessing future technologies to elevate educational outcomes"** aims to throw light on how education can keep pace with the changing technological advancements and leverage them to enhance learning experiences, making education more accessible, inclusive, and effective.

As we look ahead to 2047, we must envision an education system that not only meets the challenges of tomorrow but also harnesses the immense potential of future technologies.

Who Should Participate?

Government Officials

Policy Makers

Central & State Universities

Edutech Companies

SPEAKER QUOTES

Dr. Akhilesh Gupta

Secretary, SERB,
Department of Science
& Technology
Govt. of India

"Highlighted India's startup success, emphasizing the changing ecosystem for youth. Urged more involvement from entrepreneurs, noting the launch of Research Foundation. Stressed collaboration's importance in the & ML."

Mr. Ashok Kumar, IPS

Director General of Police
Govt. of Uttarakhand

"Stressed the importance of innovation and education, highlighted the actual value of innovation and the need for research, and expressed gratitude to the organizers."

"Expressed gratitude to CD for impactful topics, highlighting midday meals in school education. Emphasized post-Covid innovation and encouraged its continuous pursuit. Addressed the importance of quality education and infrastructure, congratulating CD for free counselling to students exploring colleges."

Mr. Kundan Kumar, IAS

Resident Commissioner
Govt. of Bihar

Mr. Vikram Singh

Chancellor
Noida International
University Former Director
General of Police
Govt. of Uttar Pradesh

"Shared a perspective on the rapid pace of change and the importance of adaptability. Expressed belief in India's prominence in this century and commended the audience as the engines of this change."

Dr. Vivek Suneja

Director
FMS

"He further emphasized the significance of autonomy, asserting its crucial role in fostering creativity and innovation. Highlighting the value of data as currency, he underscored innovation as the key. Concluding, he labelled the current period as transformative years."

"Concluding the discussion, he underscored the need for government and senior educational bodies to collaborate with private universities and colleges for the promotion of skill-based education. Emphasizing the importance of providing value to the industry, he highlighted the collective effort required for the advancement of education."

Mr. Jeet Marwadi

Trustee
Marwadi University

Dr. Mamta Rani Agarwal

Advisor
AICTE

"She outlined India's top 10 jobs, stressing the importance of skills and practical knowledge. She anticipated 150 million new jobs but cautioned about the potential loss of 75 million manual jobs. Emphasizing hiring based on skills, not roleplay, she highlighted the crucial roles of resilience and learning ability in an individual's career."

Mr. Yuvraj Malik

Director
National Book Trust

"He stressed the importance of utilizing books in libraries, emphasizing their role in education. Continuing, he discussed the pivotal role of colleges in driving innovation in technologies."

Prof. Sudhirkumar Barai

Director
BITS Pilani

"He advocated for government support in allowing colleges to embrace technology for innovation. Noting the shift due to the pandemic, he highlighted the increasing importance of digital learning. Emphasizing quality delivery, he suggested it would inherently bring about flexibility in education."

"He highlighted Singapore University's response to industry demands by offering courses in Master's in Data Science & Masters in Artificial Intelligence. Stressing the alignment with current industry needs, he emphasized the necessity for flexibility in the curriculum."

Mr. Ravin Nair

COO
QS I-GAUGE

Mr. Devansh Singh

CEO
IES University

"He underscored the impact of modern technology on various industries, citing the example of drone technology in the medical field. Emphasizing the potential to enhance productivity and elevate quality, he proposed the creation of an app for organ donors."

Prof. Tarun Anand

Chancellor
Universal AI University

"He expressed delight at being part of Collegedunia, stressing the shift to tech-driven education. He highlighted AI's crucial role, citing its impact and swift innovations during the COVID era. Emphasizing future changes, he urged proactive innovation, advocating a "me to we" culture and encouraging student involvement with AI models, affirming AI's positive potential."

"He endorsed the idea that academic freedom is essential, emphasizing that creativity and innovation thrive only in its presence."

Mr. Rhithik Jassar

Chairman
 Jassar Dental Medical
 Education Health
 Foundation

Ms. Radhika Bhandari

Director Western
 India Institute of
 Aeronautics

"She pointed out that when discussing quality, it necessitates adequate resources. Advocating for a focus on fees capping, she highlighted its importance. Additionally, she underscored the significance of Accuracy as another crucial factor that should be prioritized."

**Ms. Shashanka Ala,
 IAS**

Special Secretary
 Govt. NCT of Delhi

"She discussed government initiatives such as smart classrooms, quality education, and E-Vidya, understanding the latter's role in providing equitable access through advanced software and training tools. She emphasized the necessity for government funding for private universities."

Dr. Aman Mittal

Vice President
 Lovely Professional
 University

"He shared LPU's initiative with the Learning Management System (LMS) for personalised feedback, underlining the significance of personalised and affordable education. By tracking data insights such as screen time and focus areas, the aim is to enhance student performance."

"Emphasizing a shift to a hybrid model for flexibility and engagement, he advocated for adaptive learning to reduce anxiety and provide instant feedback, distinguishing between personalized and adaptive approaches based on individual needs and progress."

Dr. Maneesh Mishra

Executive Vice
 President
 NSDC

Mr. Rohit Rana

Vice Chairman
 SAITM

"Positively emphasizing the benefits of collaborations with edtech platforms, the discussion highlighted the exposure students gain from collaborating with teachers and professors. The mention of student rankings based on platforms created by edtechs underscored the importance of collaboration with international researchers."

Dr. Indrajit Bhattacharya

Former Director
 NABET

"Exploring predictive learning and Technology-Enabled Subjective Assessment (TESA), the shift towards a hybrid model is advocated for enhanced flexibility, engagement, quicker feedback, and improved communication. Adaptive learning is proposed to alleviate anxiety and provide instant feedback. The distinction between personalized and adaptive learning, tailored to individual needs and progress, is emphasized."

Collegedunia Connect 3.0

A Resounding Success in Shaping the Future of Education

NEW DELHI: Collegedunia proudly announces the triumphant conclusion of Collegedunia Connect 3.0, hosted at the prestigious Taj Palace. Themed "Innovation in Education: A Key to Transforming India," the event served as a dynamic platform for insightful discussions, shaping the future of education. The summit commenced with a grand Inaugural Ceremony, featuring the unveiling of a comprehensive White Paper that promises to redefine the future of education. This set the stage for four engaging Panel Discussions: The first delved into "Industry 4.0 - New Skills for a New

World," followed by discussions on the "Digital Blueprint for Smart Learning," "Universal Access to Education: Leaving No One Behind," and "The Power of Artificial Intelligence: Transforming Education." Distinguished Chief Guests included luminaries such as Mr. Akhilesh Gupta, Senior Advisor & Secretary, Ministry of S&T, Govt. of India; Mr. Ashok Kumar, IPS, DGP Govt. of Uttar Pradesh; Mr. Krishna Kumar, IAS, Resident Commissioner, Government of Bihar; and Dr. (Prof.) Vikram Singh, former DGP (Police), UP. The event also welcomed other eminent personalities, contributing

their expertise to the dialogue, such as Dr. Anant Mittal, Vice President, Lovely Professional University; Mr. Jeev Meewadi, Trustee, Meewadi University; Prof. PB Sharma, VC, Amity Gurgaon; Prof. Balvinder Shukla, Vice Chancellor, Amity University; Mr. Yuvraj Malik, Director, National Book Trust; Dr. Manita Rani Agrawal, Adviser, AICTE; Dr. Vivek Sanjya, Director, Faculty of Management Studies; Dr. Manoj Mishra, Executive Vice President, National Skill Development Corporation; and Dr. Dharendra Singh, Vice Chancellor, JK Lakshminipal University among others.

The summit drew in over 60 distinguished personalities, solidifying its position as a genuine congregation of thought leaders. Additionally, it welcomed 600 attendees from the education industry, encompassing all stakeholders. The grand finale of Collegedunia Connect 3.0 was marked by the felicitation of Awards, recognizing excellence in schools, higher education institutes, and outstanding contributions from Edtech and marketing professionals. This celebration of achievements underscores Collegedunia's commitment to honoring and promoting excellence in the field of education.
